

22 October 2020

Upcoming events at St George's, Parktown

Dear Parishioners

The reopening of St George's for in-person services at the start of October has been refreshing for many, including myself. Our Covid-19 safety protocols have reassured our parishioners of the concern we have for their wellbeing. The infection rate in South Africa has plateaued, and we continue to pray for a quick resolve to the pandemic.

As we are approaching November, we are looking forward to a meaningful month of special services and events. Here is the list of the upcoming events:

1 November – All Saints Day

Remembering the Faithful departed

Requiem Mass at 18:00

8 November – Remembrance Sunday/celebration of Armistice Day

15 November – Thanksgiving Sunday

Blessing of Dedicated Giving pledges during the morning services

Celebrating the parish birthday with a concert (time TBA)

22 November – Feast of Christ the King (last Sunday of the liturgical year)

Fundraising organ concert for St George's audio-visual system at 18:00

29 November – Advent Sunday

Advent carols (time TBA)

More information will follow in the coming weeks. All events will be Covid-19 safe. Hope you can join us for these live events.

Rev Eben
